

# 2021-2022 Parent Survey

Please complete by Wednesday, August 4th. Schools must develop a Return to Learn Plan in order to receive federal funding provided by the ARP and ESSER allocations to South Dakota Public Schools.

You may find the following requirements at this link:

Taken from the South Dakota Department of Education website:

To achieve continued success with a return to in-person instruction, school districts must continue practices of transparency with stakeholders around: (1) mitigation efforts to prevent the spread of COVID-19, and (2) strategies to ensure students have access to needed services for academic success. As outlined in the American Rescue Plan Act Elementary & Secondary School Emergency Relief Fund (ARP ESSER) and accompanying interim final rules, these strategies must be publicly re-evaluated at a minimum of every six months through September 2023.

The below survey was sent out last year prior to school starting and was modified to adhere to the requirements set forth by the Department of Education.
