REVIEW/DISCUSSION:

Discussion was held on a proposed community daycare. Member Warne reported that the development board has distributed surveys to help determine the daycare need for the city. The Lake Preston School board was recognized for their service to schools as part of school board recognition week of February 19-23rd. Supt. Casper informed the board of bus repair issues that have surfaced since the last meeting. He recommended that the board look into purchasing a new bus in the near future rather than adding to the mounting repair costs of the 2002 bus. Member Anderson exited the meeting.

REPORTS:

No report from the NESC meeting. Tech Coordinator Odegaard updated the board on the ADA compliant website she has been building. She also presented the board with technology purchases that she will be making this spring. Member Hageman updated the board on pertinent legislation topics currently being debated in Pierre. Business Manager Curd reported on insurance, accountability, and negotiations.

Elementary Principal Felderman informed the board on the success of the NWEA mapping professional development that a few staff members had received earlier this month. He noted that the NWEA mapping program is something he is looking into implementing next year to help track student progress. Supt. Casper reported on the State Accreditation review that the administrative team has been working on for the past few weeks. He invited the board to travel with Mr. Solberg and the seniors to Pierre for their annual legislative day.

ACTION 81- Pursuant to SDCL 1-25-2-1-4, motion by Warne, second by Hageman to enter into executive session for the purpose of discussing student concerns, personnel, negotiations, and strategic planning at 1:55 PM. All voted aye, motion carried.
