District Narrative: (Review cited regulation to describe local implementation.)

- FAPE beginning at age 3; 300.101(b); ARSD 24:05:13:02

The district will make a FAPE available to all students with disabilities who reside within the boundaries of the district between the ages of 3 and 21 years of age. This includes any student with a disability who has been suspended or expelled. All eligible preschool aged students will have FAPE made available to them by their third birthday, including those whose birthdays fall during the summer months and who may need extended school year (ESY) services.

- Children advancing from grade to grade; 300.101(c); ARSD 24:05:13:02

All eligible students with disabilities, regardless of whether they are advancing from grade to grade, will have FAPE available to them on an individualized basis as determined by the student's IEP team annually. Exceptions to FAPE for students aged 3-21 include those students who have graduated from high school with the regular high school diploma.

- Limitations- age exceptions to FAPE; 300.102; ARSD 24:05:22:04.01

One exception to the age range of FAPE is the special education student turning 21 during the school year who would continue to have free school privileges during the duration of that school year. Another exception is that children younger than age 3 who qualify for prolonged assistance will receive special education and related services, despite not yet being age 3.

- FAPE- methods and payments; 300.103; ARSD 24:05:19:08

The district acknowledges that it may apply whatever federal, state, local, and private funds are available to meet its obligations for the provision of FAPE and must ensure that FAPE is provided at no cost to parents and without delay – even if the sources of funding are still being determined. This does not relieve any insurer or similar third party from its responsibility to pay for otherwise valid obligations.

- Residential placement; 300.104; ARSD 24:05:19:08

When necessary the district will provide FAPE to students with disabilities through a public or private residential program at no cost to the parents.

- Assistive technology; 300.105; ARSD 24:05:27:18 ARSD 24:05:27:19

When necessary for FAPE, the district will provide assistive technology to students with disabilities and the evaluation for such at no cost to the parents. This may include assistive technology to be used at home, when that is determined to be essential for FAPE on a case by case basis.

- Extended school year services; 300.106; ARSD 24:05:25:26

When necessary for FAPE, the district will provide extended school year services to students with disabilities at no cost to the parents.

- Nonacademic services; 300.107; ARSD 24:05:28:06

To the maximum extent possible, the district will allow students with disabilities to participate with non-disabled peers during nonacademic services such as extracurricular activities, meals and recess. If supplementary aids and services are necessary to achieve this integration, then the district will provide them.

- Physical education; 300.108; ARSD 24:05:28:08

To the maximum extent possible, the district will allow students with disabilities to participate in physical education classes with non-disabled peers unless a student requires specially designed physical education as specified in the IEP.

- Program options; 300.110; ARSD 24:05:28:04

To the maximum extent possible, the district will allow students with disabilities access to the same program options as students without disabilities, such as art, music, consumer education, and vocational education.

SECTION II: Full educational opportunity goal (FEOG) 34 C.F.R. § 300.109; ARSD 24:05:22:04, ARSD 24:05:22:04.01

The district/cooperative and all member schools/districts will have in effect policies and procedures, demonstrating that the district/cooperative has established a goal of providing full educational opportunity to all children with disabilities, aged birth through 21, and include a timetable for accomplishing that goal.

District Narrative: (Review cited regulation to describe local implementation.)

Lake Preston School District, consistent with the timetable established by the State of South Dakota and Part B of the Individuals with Disabilities Education Act (IDEA), has a goal of providing full educational opportunity to all children with disabilities, aged birth through twenty-one. The district will review data annually (such as SPP indicators and statewide testing results) to guide decisions with regard to adjustments in its programs in an effort to ensure appropriate services to all students with disabilities.

SECTION III: Child Find 34 C.F.R. § 300.111; Child Identification ARSD 24:05:22

The district/cooperative and all member schools/districts must have in effect policies and procedures for ensuring that all children with disabilities who reside within the boundaries of the district/cooperative member districts, including those who are homeless children or are wards of the state, and children with disabilities who attend private schools, regardless of the severity of their disabilities, who are in need of special education and related services are identified, located, and evaluated and a practical method is developed and implemented to determine which children with disabilities are currently receiving needed special education and related services. Specific reference in the narrative to include:

- Use of the term developmental delay; ARSD 24:05:24.01:09
- Children who may be suspected of having a disability, and in need of special education, even though they are advancing from grade to grade, 300.111(c)(1); ARSD 24:05:22:01
- Children who are highly mobile, including migrant children, 300.111(c)(2); ARSD 24:05:22:01

District Narrative: (Review cited regulation to describe local implementation.)

Lake Preston School District has in effect policies and procedures to ensure that all children with disabilities who reside within the boundaries of the district and who may be in need of special education and related services are located, identified, and evaluated according to all relevant regulations. This includes those students who may be homeless or wards of the state, as well as children with disabilities who may attend private schools within the jurisdiction of the district. In our district Child Find includes ongoing efforts to identify preschool and school age students with disabilities through referral and evaluation procedures as well as annual developmental screening events.

- Use of the term developmental delay; ARSD 24:05:24.01:09

The district does recognize and utilize the optional special education category of developmental delay when considering whether a student less than 6 years of age may be a student with a disability.

- Children who may be suspected of having a disability, and in need of special education, even though they are advancing from grade to grade, 300.111(c)(1); ARSD 24:05:22:01

The district acknowledges that all resident children who are suspected of having a disability and being in need of special education must be subject to the requirements of Child Find, even when children are advancing from grade to grade.

- Children who are highly mobile, including migrant children, 300.111(c)(2).

The district acknowledges that all resident children who are suspected of having a disability and being in need of special education must be subject to the requirements of Child Find, even when children are wards of the state, highly mobile, or migrant.

SECTION IV: Individualized Education Program (IEP) 34 C.F.R. 300.112; ARSD 24:05:27

The district/cooperative and all member schools/districts will ensure that an individualized education plan (IEP), or an individual family service plan (IFSP) that meets the requirements of section 636(d) of the Act, is developed, reviewed, and revised for each child with a disability in accordance with 34 C.F.R. §§ 300.320 – 300.324, except as provided in 300.300(b)(3)(ii). Specific reference must include:

- Content of the IEP; 300.320(a)(1-7); ARSD 24:05:27:01.03
- Transition services; 300.320(b); ARSD 24:05:27:13.02
- Transfer of rights at the age of majority; 300.320(c); ARSD 24:05:27:01.03
- The IEP team; 300.321; ARSD 24:05:27:01.01
- Parent participation in the IEP; 300.322; ARSD 24:05:25:16
- When the IEP must be in effect; 300.323; ARSD 24:05:25:22
- Development of the IEP; 300.324; ARSD 24:05:27:01.02
- Routine checking of hearing aids and external components of surgically implanted medical devices, 300.113; ARSD 24:05:27:05

District Narrative: (Review cited regulation to describe local implementation.)

Lake Preston School District ensures that each identified student with a disability has a current IEP in place that meets the requirements of Section 636(d) of the IDEA and that has been developed in accordance with the requirements at 34 CFR sections 300.320 through 324. All identified students with disabilities will have a current IEP in place at the beginning of the school year, and for eligible preschool students, by their third birthday. Each eligible student’s IEP will be reviewed periodically, but not less than annually, to review progress and determine whether annual goals are being met.

- Content of the IEP; 300.320(a)(1-7); ARSD 24:05:27:01.03

IEPs for students with disabilities will include a statement of present levels of performance (including a statement of how the disability affects progress and involvement in the general curriculum or in developmentally-appropriate activities), measurable annual goals (including a description of how progress will be measured), a description of the services that are necessary for FAPE (including start dates and ending dates), an explanation for why the child is being removed from non-disabled peers, any accommodations that are necessary to ensure that statewide or districtwide testing will be accurate, and the required transition portions (when appropriate).

- Transition services; 300.320(b); ARSD 24:05:27:13.02

For students age 16 and older, each student’s IEP will include a coordinated set of transition activities, including goals and services for post-secondary education, employment, and (if necessary) independent living based upon the student’s interests and needs.

- Transfer of rights at the age of majority; 300.320(c); ARSD 24:05:27:01.03

Prior to a special education student’s 17th birthday, the district will inform that student about the transfer of parental rights, documenting this conversation on the student’s IEP.

- The IEP team; 300.321; ARSD 24:05:27:01.01

When convening a meeting of the IEP team, the district will ensure that the team includes a representative of the LEA, a general education teacher (if the student is or may be participating in the general education environment), a special education teacher, the parents, the student (when appropriate), an individual who can interpret the instructional implications of evaluation results, and any outside agencies responsible to provide transition services.

The district may designate another one of its other IEP team members to also serve as the district representative on the IEP team.

A member of the IEP team can be excused from attending, provided that the parent and district consent in writing to the excusal and the member submits written input into the development of the IEP prior to the meeting.

- Parent participation in the IEP; 300.322; ARSD 24:05:25:16

The district will seek the participation of one or both parents by providing the parents with a written meeting invitation in advance of the meeting, including information about the purpose and participants in that meeting.

- When the IEP must be in effect; 300.323; ARSD 24:05:25:22

The district will develop IEPs for children determined to be in need of special education. At the beginning of each school year an IEP will be in effect for each eligible child with disabilities within the district's jurisdiction. When children turning age three are in need of special education, the IEP team will determine the date services begin on a case by case basis.

- Development of the IEP; 300.324; ARSD 24:05:27:01.02

When developing or reviewing and revising an IEP, the district will consider whether the student needs positive behavior interventions and supports, a limited English proficiency plan, instruction in Braille, a special communication plan, or assistive technology. All of these decisions will be documented within the body of the IEP.

- Routine checking of hearing aids and external components of surgically implanted medical devices, 300.113; ARSD 24:05:27:05

When a special education student has a hearing impairment and uses hearing aids in school, the district's IEP will include a monitoring schedule for any corrective hearing devices.

SECTION V: Least Restrictive Environment (LRE), 34 C.F.R. §§ 300.114 – 300.120; ARSD 24:05:28

The district/cooperative and all member schools/districts will ensure that, to the maximum extent appropriate, children with disabilities, including those in public or private institutions or other care facilities, are educated with children who are not disabled, and special classes, separate schooling, or other removal of children with disabilities from the regular educational environment occurs only when the nature and severity of the disability of a child is such that education in regular classes with the use of supplementary aids and services cannot be achieved satisfactorily. Specific reference must include:

- A continuum of alternative placements; 300-115; ARSD 24:05:28:02
- Placements; 300.116; ARSD 24:05:28:03
- Non-academic settings, 300.117; ARSD 24:05:28:06
- Children in public or private institutions; 300.118; ARSD 24:05:28:07
- Teachers and administrators are provided with technical assistance and training; 300.119; ARSD 24:05:28:11
- Monitors placements, 300.120; ARSD 24:05:28:12

District Narrative: (Review cited regulation to describe local implementation.)

Lake Preston School District ensures the availability of a continuum of alternative placements to provide each student with a disability the opportunity for education in the least restrictive environment. Any removal of a student with a disability from the regular education environment may occur only when the nature and severity of the child's needs dictate that education in regular classes, with the use of supplementary aids and services, cannot be achieved satisfactorily.

- A continuum of alternative placements; 300-115; ARSD 24:05:28:02

The district will make available a variety of educational placements, including instruction in regular classrooms, special education classrooms, special schools, residential placements, and instruction at home or hospitals. The district's IEP team will provide any supplementary services needed in conjunction with placement in the regular classroom so as to guarantee a continuum of alternative placements.

- Placements; 300.116; ARSD 24:05:28:03

When determining the educational placement of a child with a disability, the district will make placement decisions through a group of people, including parents and others knowledgeable about the child, the evaluation data, and the placement options. Additionally the district's IEP team will ensure the following.

1. Each child's educational placement is individually determined at least annually and must be based on the child's IEP.
2. Provisions are made for appropriate classroom or alternative settings necessary to implement a child's IEP.
3. The child shall be educated in the same school that would normally be attended if nondisabled or as close to the child's home as possible, unless a child's IEP requires some other arrangement.
4. Consideration is given to any harmful effect on the child or on the quality of services needed.
5. A child with a disability is not removed from the regular classroom solely because of needed modifications in the general education curriculum.

- Non-academic settings, 300.117; ARSD 24:05:28:06

The district will facilitate the participation of disabled students with nondisabled peers, to the maximum extent appropriate, in non-academic settings such as meals and recess. If supplementary aids and services are found to be necessary for the child to participate in non-academic settings, then the district will provide them.

- Children in public or private institutions; 300.118; ARSD 24:05:28:07

The district will ensure that children placed in public or private institutions will be educated with non-disabled peers to the maximum extent appropriate.

- Teachers and administrators are provided with technical assistance and training; 300.119; ARSD 24:05:28:11

Teachers and administrators in the district are committed to seeking technical assistance related to the provision of special education when necessary.

- Monitors placements, 300.120; ARSD 24:05:28:12

The district will cooperate with monitoring activities initiated by the SEA.

SECTION VI: Procedural Safeguards, 34 C.F.R. § 300.121; ARSD 24:05:30

The district/cooperative and all member schools/districts will ensure that all children with disabilities and their parents are afforded procedural safeguards required by 34 C.F.R. §§300.500 through 300.536, and consistent with South Dakota Administrative Rule. Specific reference must include:

District Narrative: (Review cited regulation to describe local implementation.)

Lake Preston School District ensures that all children with disabilities and their parents are afforded the required procedural safeguards of 34 CFR 300.500 through 300.356 as outlined in *South Dakota Parental Rights and Procedural Safeguards*.

- Opportunity to examine records; parent participation in meetings; 300.501(a)(b)(c); ARSD 24:05:30:02

The district provides parents with the opportunity to examine records and to participate in IEP meetings and placement decisions.

- Independent educational evaluations; 300.502; ARSD 24:05:30:03

When a parent disagrees with an evaluation conducted by the district, the district responds by ensuring that the IEE occurs without delay or by requesting a due process hearing to show that its evaluation is appropriate. If proceeding to facilitate the IEE, the district will provide the parent with its criteria for IEE evaluations, including a list of potential examiners.

A parent is entitled to only one IEE at public expense each time the district conducts an evaluation with which the parent disagrees.

If the parent obtains an IEE that meets district criteria, the district's IEP team must consider it when making decisions.

- Prior written notice; content of notice; 300.503; ARSD 24:05:30:04

The district will provide written notice to the parent at least 5 days prior to proposing or refusing to initiate or change the identification, evaluation, placement, or the provision of FAPE for students with disabilities. This notice will include a description of the proposal or refusal, a description of other actions considered and rejected, the basis for the district's decision, and any other factors relevant to the proposal or refusal.

- Procedural safeguards notice; 300.504; ARSD 24:05:30:06.01; ARSD 24:05:30:06.02

The district will provide a copy of the *South Dakota Parental Rights and Procedural Safeguards* document to the parents of an eligible child with a disability at least one time each year, in addition to the following.

1. Upon initial referral or parent request for an evaluation;
2. Upon request by the parent;
3. In accordance with discipline procedures outlined in the procedural safeguards document;
4. Upon receipt of the first state complaint or first due process complaint in a given school year.

The district uses the *South Dakota Parental Rights and Procedural Safeguards* document which conforms with the content standards established in ARSD 24:05:30:06.02.

- Use of electronic mail; 300.505; ARSD 24:05:30:06.03

If the district chooses to make the option available, then the district will allow the parents of children with disabilities to elect to receive special education notices through electronic mail.

- Availability of mediation; 300.506; ARSD 24:05:30:09

The district will offer voluntary state mediation to the parent after receiving notice about any matter of dispute, including matters arising before a due process complaint is filed. The district will make such mediation conferences timely and nonadversarial and will schedule them in a location convenient to all parties involved in the dispute.

- Filing of due process complaints; 300.507; 300.508; 300.509; ARSD 24:05:30:07.01

- Resolution process; 300.510; ARSD 24:05:30:08.09-.12

Within 15 days of receiving notice of the parent's due process complaint and prior to the initiation of a due process hearing, the district will convene a meeting with the parent and relevant members of the IEP team who have specific knowledge of the facts identified in the complaint. The district and the parent will determine which IEP team members are relevant, but the team will include a representative of the district who has decision-making authority.

The district will not bring an attorney unless the parent is accompanied by an attorney.

During this meeting the district will attempt to resolve the dispute that is the basis for the due process complaint. The district acknowledges that this resolution meeting need not be held if the parent and the district agree to waive it or if the parent and the district agree to use mediation.

- Impartial due process hearing; 300.511; ARSD 24:05:30:09.04

The district acknowledges that either the district or the parent has the right to an impartial due process hearing following a due process complaint.

- Hearing rights; 300.512; ARSD 24:05:30:12

The district acknowledges that, during the impartial due process hearing, both the district and the parent have the right to be accompanied and advised by legal counsel to present evidence, to cross-examine and compel the attendance of witnesses, to prohibit the introduction of evidence that has not been disclosed at least five business days before the hearing, to obtain a written record of the hearing, and to obtain a written record of findings of fact and decisions.

- Hearing decisions; 300.513; 300.514; 300.515; 300.516; 300.517; ARSD 24:05:30:11

The district acknowledges that both the district and the parent have the right to file a civil action, within 90 days, to appeal the decision of the due process hearing.

- Status of child during due process proceedings; 300.518; ARSD 24:05:30:14

The district acknowledges that the student in a due process complaint must remain in the present educational placement during that complaint unless the parents and district agree otherwise, with these exceptions.

1. If the complaint involves an application for initial admission to public school, the child, with the consent of the parents, must be placed in the public school program until the completion of all the proceedings.
2. If the complaint involves an application for initial services from a child transitioning from Part C of the IDEA to Part B who is no longer eligible for Part C because the child has turned three, the district is not obligated to provide the Part C services that the child had been receiving. If the child is found eligible for special education and related services under Part B, and the parent consents to the initial provision of special education and related services, then the district must provide those special education and related services not in dispute.
3. If the decision of a hearing officer in a due process hearing agrees with the child's parents that a change of placement is appropriate, that placement must be treated as an agreement between the state and the parents for purposes of pendency.

- Surrogate parents; children who are wards of the state; homeless youth; 300.519; ARSD 24:05:30:15

When no other parents (as defined in ARSD 24:05:13:04) can be identified, and the district (after reasonable effort) cannot locate a parent, or if the child is a ward of the state, or if the child is an unaccompanied homeless youth, the special education director will appoint surrogate parents within the following conditions.

1. The person selected as a surrogate must have no personal or professional interest in conflict with the interests of the child being represented.
2. The person selected as a surrogate must have knowledge and skills to ensure adequate representation of the child in all matters relating to identification, evaluation, educational placement, and the provision of FAPE.
3. The person selected as a surrogate will not be an employee of the South Dakota Department of Education, Lake Preston School District, or any other agency that is involved in the education or care of the child.

Any staff member within the district can refer students in need of a surrogate to the district's special education director who is responsible for overseeing the referral system and in-servicing other district staff members. The special education director will maintain a list of potential surrogate parents and provide them with the training necessary to serve in that role.

- Transfer of rights at age of majority; 300.520; ARSD 24:05:30:16.01

The district informs parents and students about the transfer of student rights, documenting that notification within the body of the IEP. When a student with disabilities reaches the age of majority (unless determined to be incompetent), the district acknowledges that the parents' rights transfer to the child. If the child is determined not to have the ability to provide informed consent with respect to the educational program, the district shall appoint the parent or (if the parent is unavailable) another appropriate individual to represent the educational interest of the child.

- Discipline procedures and manifestation determination; 300.530; ARSD 24:05:26:09.03

The district will conduct a manifestation determination review with 10 days of a decision to change the placement of a student with a disability due to a violation in a code of student conduct. During this review relevant members of the student's IEP team (as determined by the district and the parents) will review all relevant information to determine the following.

1. Was the conduct in question caused by, or did it have a direct and substantial relationship to, the student's disability?
2. Was the conduct in question the direct result of the district's failure to implement the IEP?

When either condition #1 or #2 above has been met, the district acknowledges that the conduct must be determined to be a manifestation of the student's disability. If condition #2 was met, the district acknowledges that it must take immediate steps to remedy the deficiency in IEP implementation.

- Determination of setting; 300.531; ARSD 24:05:26:09.2

The district acknowledges that its IEP team is responsible for determining an interim alternative placement when a student's educational placement is changed for disciplinary reasons.

- Right of appeal of the determination of setting; 300.532; ARSD 24:05:26:09.05

When the behavior that led to discipline is determined not to be a manifestation of the student’s disability, the district acknowledges that the parent has the right to appeal that decision.

- Placement during appeals; 300.533; ARSD 24:05:26:09.06

The district acknowledges that, during an appeal of the educational placement, the child remains in the interim alternative educational placement unless the district and the parent agree otherwise.

- Protections for children not determined eligible for special education and related services; 300.534; ARSD 24:05:26:14

The district acknowledges that a child not yet determined eligible for special education has disciplinary protections according to ARSD 24:05:26:14 if the district had knowledge that the child might be a student with a disability.

- Referral to action by law enforcement and judicial authorities; 300.535; ARSD 24:05:26:15

The district acknowledges that a student’s special education status does not prohibit the district from reporting crimes to law enforcement. If the district reports a crime, it will include copies of the special education and disciplinary records of the student for consideration by the appropriate authorities to whom the crime is reported, to the extent permitted by FERPA.

- Change of placement due to disciplinary removals; 300.536; ARSD 24:05:26:02.01

The district acknowledges that removals of more than ten consecutive days or patterns of removal of more than ten days constitute a change of placement for special education purposes.

SECTION VII: Evaluation 34 C.F.R. §300.122; ARSD 24:05:25

The district/cooperative and all member schools/districts will ensure that all children with disabilities are evaluated in accordance with 34 C.F.R. §§300.300 through 300.311. Specific references must include:

- Parental consent (for initial evaluation, services, and re-evaluations; 300.300; ARSD 24:05:25:02.01, ARSD 24:05:25:06.01
- Initial evaluations; 300.301; ARSD 24:05:25:03
- Screening for instructional purposes; 300.302; ARSD 24:05:25:03.03
- Re-evaluations; 300.303; ARSD 24:05:25:06
- Evaluation procedures; 300.304; 300.305; ARSD 24:05:25:04
- Determining eligibility; 300.306; ARSD 24:05:25:04.03
- Specific learning disabilities; 300.307 through 300.311; ARSD 24:05:25:07, ARSD 24:05:25:08, ARSD 24:05:25:11, ARSD 24:05:25:12

District Narrative: (Review cited regulation to describe local implementation.)

Lake Preston School District ensures that all children with disabilities are evaluated in accordance with the following regulatory provisions.

- Parental consent (for initial evaluation, services, and re-evaluations; 300.300; ARSD 24:05:25:02.01, ARSD 24:05:25:06.01 ARSD.

The district proceeds with initial evaluations only after first acquiring the parent’s written consent. When trying to acquire parental consent for reevaluations, the district proceeds without parental consent only after first exercising and documenting considerable efforts to obtain that consent.

- Initial evaluations; (Preplacement evaluations, ARSD 24:05:25:03)

The district will complete a full and individual initial evaluation for special education eligibility before the initial provision of special education services. Once parental consent for the evaluation is received, the district will conclude the process within 30 calendar days from the end of the 25 school day timeline.

- Screening for instructional purposes; 300.302; ARSD 24:05:25:03.03

The district acknowledges that screening for instructional purposes is not considered an evaluation for special education.

- Re-evaluations; 300.303; ARSD 24:05:25:06

The district informally determines what evaluation data are needed for the following purposes.

1. Determining whether the child continues to have a disability.
2. Determining the developmental and educational needs of the child.
3. Determining whether the child continues to need special education and related services.
4. Determining whether any additions or modifications are needed in the special education program in order to meet measurable annual goals or to make progress in the general curriculum.

If the district determines that no additional evaluation data are needed in order to establish eligibility or to determine programming needs, then the district will inform the parents of that fact and their right to request new assessment.

- Evaluation procedures; 300.304; 300.305; ARSD 24:05:25:04

When designing an evaluation package, to the extent possible, the district selects a variety of technically sound assessments likely to yield accurate information that could fulfill eligibility requirements and provide useful information about specific areas of the child's educational need, particularly considering factors that may interfere with standardization such as limited English proficiency or interference from the child's impairment. The district ensures that its evaluations are comprehensive, and the district acknowledges that no single measure may be the sole criterion for a determination of eligibility.

- Determining eligibility; 300.306; ARSD 24:05:25:04.03

The district determines eligibility during a formal meeting of the IEP team, providing a copy of this eligibility determination and the related evaluation reports at no cost to the parent. The district acknowledges that students may not be deemed eligible for special education when the determinant factor for underachievement is believed to be limited English proficiency or a lack of instruction in reading or math.

- Specific learning disabilities; 300.307 through 300.311; ARSD 24:05:25:07, ARSD 24:05:25:08, ARSD 24:05:25:11, ARSD 24:05:25:12

When determining a student's eligibility for special education with regard to the category of specific learning disability, the district's full IEP team rules out the presence of the following.

1. a visual, hearing, or motor disability;
2. a cognitive disability;
3. an emotional disturbance;
4. cultural factors;
5. an environmental or economic disadvantage;
6. limited English proficiency; or
7. a lack of instruction in reading or math.

Then the district compares ability to discrepancy in achievement. When discrepancy in an allowable area of SLD matches the criterion set forth in the State's discrepancy table and is further corroborated by classroom observation, the lack of achievement, and the lack of mitigating medical factors, the district finds the student eligible in the category of SLD. These SLD decisions are certified with the signatures of IEP team members, including the child's regular teacher (or a teacher qualified to teach that age) and at least one person qualified to conduct individual diagnostic examinations.

SECTION VIII: Confidentiality 34 C.F.R. 300.123; ARSD 24:05:29, ARSD 24:05:21:05

- Amendments to records at parent's request; 300.618; ARSD 24:05:29:09

If a parent requests an amendment to the educational record, the district will respond within a reasonable time following receipt of that request. If the district refuses to amend the educational record, then it will inform the parent of the refusal and advise the parent of the right to a hearing.

- Opportunity for a hearing; 300.619; ARSD 24:05:29:10

When requested the district provides a hearing to challenge information contained in the education records, ensuring that information is not inaccurate, misleading, or otherwise in violation of the rights of a student.

- Result of hearing and hearing procedures; 300.620-621; ARSD 24:05:29:12

When such a hearing is requested, the district will provide it within 30 days of the request, and the parent will receive notice of the date, time, and location at least 5 days prior to the hearing. This hearing shall be conducted by a party who does not have an interest in the hearing's outcome. During this hearing, the parent of a student with disabilities has the opportunity to present evidence and to be represented by an attorney. Following the hearing, the district will produce a written decision within 30 days. This decision will be based solely upon evidence presented at the hearing and will include a summary and reasons for the decision.

As a result of the hearing, if the district decides to amend the record, it shall do so accordingly and shall notify the parents of the fact. If the district decides not to amend the record, then it will notify the parents of their right to write a statement of comment regarding the record. If the parent chooses to do so, then the district will include this statement of comment and will maintain it as part of the record.

- Parental consent for the release of records; 300.622; ARSD 24:05:29:13

It is the policy of the district to forward educational records, upon request, to an institution at which students intend to enroll. This transmission of records does not require parental consent. Additionally, consent is not required when releasing records:

- to other school officials with a legitimate educational interest;
- to authorized representatives of state and federal educational authorities;
- in connection with financial aid for which the child has applied;
- to state and local officials or authorities to whom information is specifically allowed to be reported or disclosed by a statute that concerns the juvenile justice system, subject to applicable requirements;

The district/cooperative and all member schools/districts will ensure that children participating in early intervention programs assisted under Part C, and who will participate in preschool programs assisted under Part B, experience a smooth and effective transition to those preschool programs. By the third birthday of such a child, an individualized education program (IEP) or, if consistent with 34 C.F.R. § 300.323(b), in individualized family service plan (IFSP), has been developed and is being implemented for the child. The local education agency (LEA) will participate in transition planning conferences arranged by the designated lead agency.

District Narrative: (Review cited regulation to describe local implementation.)

Further, each eligible child with a disability will have in place at the time of their third birthday an appropriate IEP for the provision of special education and related services has been developed and implemented. The district participates in transition planning conferences as coordinated by the local Part C agency.

The state’s Part C coordinator contacts the district to alert them of the child turning age three. Several months before a Part C child turns three, the district will initiate evaluation procedures to determine potential eligibility for Part B. The district will hold an eligibility meeting at least 90 days but not more than 9 months prior to the child turning three. This evaluation planning includes contact and input from the child’s family. When the child turns three, the district will begin monitoring progress through the required IEP goal progress notes.
