

LAKE PRESTON DIVERS

Each month, the Lake Preston MS/HS will be celebrating our students through our Student of the Month spotlight. One student from the high school and one from the middle school will be selected to be our Students of the Month. Selection is based upon the demonstration by students of the characteristic stated in our school's mission.

“We shall strive to instill in our students an appreciation for the virtues of honesty, citizenship, decency, earning rewards through hard work, and respect for people, property and social tradition.”

Honesty: fairness and straightforwardness of conduct

Citizenship: the quality of an individual's response to membership in our learning community

Decency: behavior that conforms to the accepted standards of right and wrong within our learning community

Earning rewards through hard work: Putting in the time and energy to grow as a learner and as a member of our learning community

Respect for people, property and social tradition: Reinforcing those behaviors expected from students which have become positive social norms within our learning community
